

SFI Moorland Survey App

Foundation for Common Land
and Land App

FOUNDATION FOR
COMMON LAND

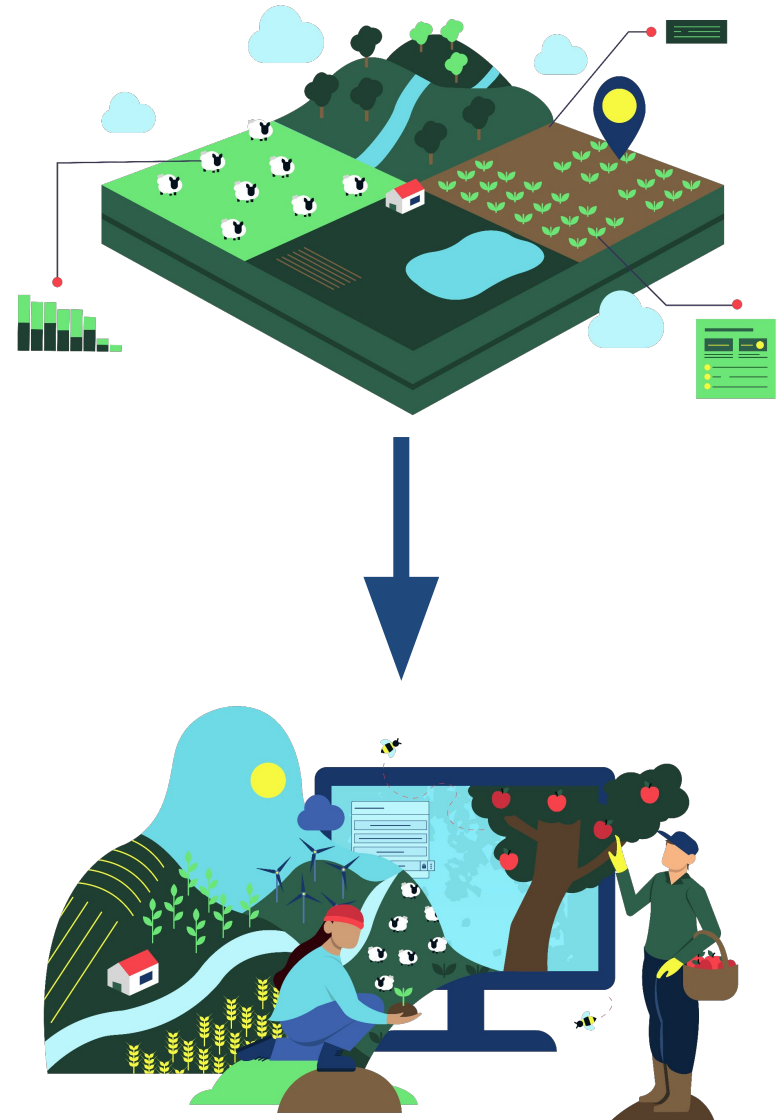

Land App

Survey App – Objective

- Auto-generate location of Survey Points
- Provide a pre-populated form for assessing Moorland
- Remove need for post-survey admin
- Collate photo evidence

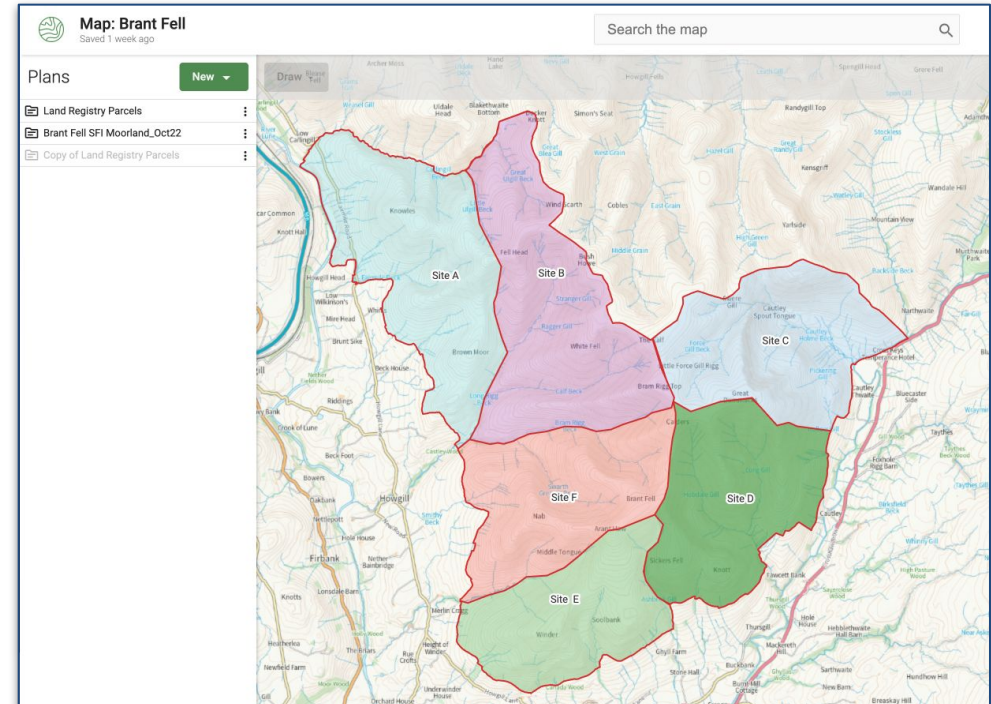

Saving Time and Bringing Consistency

Proof of Concept

Auto-generate location of Survey Points

- Facilitator defined survey area
- Algorithm been built to serve 1 point every 10 ha
- Algorithm created points
